

We'll handle it from here.™

Work Stoppage Update as of 12/14/21

- Starting **Tuesday, December 14th** , the City will have two large trash roll-off bins available for public use at the City's Yard located at 1776 Adolfo Lopez Dr, Seal Beach, CA 90740.
- Trash and Recycling was collected in Monday's residential service area (including Seal Way).
- Residential customers should bring all carts out to the curb on their regularly scheduled service day, starting Monday Dec 13. If residential customers are not picked up, residents should leave carts accessible at the curb, and we will service the next day; excess material can be bagged and left next to the cart.
- Commercial and industrial collection is being provided on a limited basis. We are encouraging Commercial customers to unlock gates and bins to provide access.
- Robocalls are being disseminated to residential and commercial customers.
